## Congregating Room

**Total: \$5,610.76**

While hosting rehearsal dinners that turn into secret weddings, or training temps to be sales superheroes, these outdoor speakers will rock the barn. We'll extend the network from the house to the barn with the Eero access points.

## Barn

**Total: \$1,996.86**

Guests can enjoy their favorite tunes on Sonos. Full control of the volume from the app on their phone will help drown out any unwanted noises from outside.....or inside the house.

## Irrigation Room

**Total: \$1,543.60**

Guests in the Nighttime themed room can fall asleep to the quiet sound of their favorite playlist, or listen to white noise on the amazing Sonos speaker.

## Nighttime Room

**Total: \$1,243.60**

Guests in the America themed room will love to kick back, relax, and stream their favorite tunes on the Sonos speaker.

## America Room

**Total: \$1,243.60**

You can remotely unlock the house for Mose when he forgets his key, or give guests a special code to get in while youre out in the beet fields tilling the land. The built-in door station camera will capture unwanted intruders, loose goats, and nosey neighbors.

## Front Porch

**Total: \$1,608.00**

Outdoor system is designed for maximizing guest enjoyment and entertainment at various weddings, birthdays, and especially garden parties.

## Garden

**Total: \$13,213.51**

Remote gate control allows you to open and close the Goat Pen gate allowing goats to come and go freely or securing them in the pen for the evening.

## Goat Pen

**Total: \$840.00**

For Michaels infrequent visits from Colorado, his guest house will make him feel right at home with his existing TV and amazing sound from the Sonos speaker.
